## Agency: webqem

### About webqem

With unrivalled experience in IT, online marketing and training, the webqem team provides leading edge, one-stop web solutions. Servicing IT, HR and Marketing departments within leading corporations such as MLC, Allianz Australia, realestate.com.au and Virgin Blue, we also work with many highly successful small businesses online.

webqem is a pure digital agency, based in Sydney, Australia. We are approximately 40 people strong, with clients around the world.

## Sample Projects

Expedia UK and Ryan Air promotional ad creative:  
On page animated gifs.

Our online creative service ranges from concept development through to full production, from simple animated gifs through to flash & javascript development and supporting microsites.

## Sample Rate Card

Variable depending on brief – please get in touch and we'll be happy to provide a free quote.

*"I have used webqem for around 10 years in various capacities at various companies. I have used many web design agencies and webqem is the only one I've experienced who get the brief and deliver on it quickly, effectively with a solid call to action and at a price which can't be beat."*

*-- Bryan Lip, Senior Account Manager, Expedia
